Attention: Trout Lake Community members

RE: FINAL NOTICE- Request for feedback from Métis individuals with improvements in Trout Lake

This information request is being made by the Peerless Trout First Nation (PTFN) in relation to the process of establishing our Nation's reserves under the Peerless Trout First Nation Treaty Land Agreement dated July 21, 2010 (the "Agreement").

Section 22 of the Agreement states:

> *22. PTFN agrees that prior to the transfer of administration and control of the PTFN Settlement Lands within the community of Trout Lake to Canada to be set apart as reserve for PTFN, if Metis members of the community elect not to become members of PTFN, then lands will be identified and surveyed out within the community of Trout Lake to accommodate those individuals' improvements, each parcel not to exceed two (2) acres.*

If you or someone you know:

1. Are Métis and did not become a member of PTFN; and
2. Have improvements on lands within the community of Trout Lake.

Please contact **Darian Okemow**, PTFN Lands Assistant, at **780-649-4144** on or before **December 20, 2024**, to discuss your situation.

Note that there are lots of different types of things that can qualify as improvements. Improvements could include, but are not limited to, such things as a house, garage or workshop.

Sincerely,

Peerless Trout First Nation
