RE: Notice sent requesting feedback from Métis individuals with improvements in Trout Lake

Peerless Trout First Nation (PTFN) Treaty Land Agreement dated July 21, 2010, included a requirement to identify and accommodate Métis individuals living in Trout Lake, who made improvements on the land and who did not become members of the First Nation.

On October 21, 2024, PTFN sent a notice to each household in Trout Lake requesting individuals who may be entitled to accommodation contact PTFN administration within 60 days. This notice was also posted on PTFN's website and social media. A second notice was sent and posted on November 18th, 2024, and a final reminder was posted on December 19th, 2024.

The 60-day response period is now closed. PTFN Chief and Council will provide Indigenous Services Canada and the provincial government with a report on our consultation outreach process results so we can move forward with the addition to reserve of our Treaty Land Entitlement lands.

Please contact **Darian Okemow**, PTFN Lands Assistant, at **780-649-4144** if you have any further questions regarding this matter.

Thank you for your time and consideration.

Sincerely,

Peerless Trout First Nation
