PEERLESS TROUT FIRST NATION

Employment Opportunity

Licensed Practical Nurse (LPN)

PTFN Health Services

Full-Time Permanent Position

Peerless Lake, Alberta

Are you a dedicated, reliable, ambitious Licensed Practical Nurse (LPN) who is looking to work for a supportive, team-centered organization? Your search is over! The Peerless Trout First Nation (PTFN) Health Services Department is seeking an experienced Licensed Practical Nurse to join our talented Health Services team. This is a rewarding opportunity if you have an appreciation for First Nations culture, a desire for continuing professional development, and if you enjoy the support and collaboration with our multidisciplinary team and various other professionals and agencies we work with.

Reporting to the Health Services Manager, the Licensed Practical Nurse supports community health and wellness for all PTFN clients. This position provides support for the community in a variety of responsibilities including health assessment; health planning; health education, supportive counselling, prevention, screening, special projects, and referrals. As a member of the PTFN Health team, the LPN will work closely with all staff in the improvement of health for all PTFN band members.

RESPONSIBILITIES:

- Provide community-based nursing care as legislated under the HPA and regulated by the CLPNA.
- Administer and monitor client medications within the LPN Scope of Practice.
- Plan, direct, or provide client personal care.
- Assess and maintain client safety in the home setting.
- Provide support to the client and family unit.
- Make client/family referrals to other agencies and professionals as needed.
- Manage and coordinate a reasonable case load under the direction of the Health Services Manager.
- Maintain accurate records, documents, and reports.
- Program planning and interventions based on the identified needs of the community.
- Assess client needs.
- Provide immunizations within the LPN scope of practice.
- Participate in Health Services projects as required.
- Provide comprehensive health programs and school health programs/health education classes/prenatal programs etc.

QUALIFICATIONS:

- Completion of an accredited practical nurse education program.
- Active or eligible for registration and practice permit with the College of Licensed Practical Nurses of Alberta (CLPNA).
- At least one year nursing practice experience.
- Current certification in Basic Cardiac Life Support for Health Care Providers (BCLS-HCP).

- TDG, and WHMIS or willing to take training.
- Excellent and effective decision-making skills, oral and written skills, interpersonal skills, organizational skills, and teaching skills are required.
- Ability to work independently and as a part of a team with other care providers.
- Basic computer knowledge.
- Must be dependable and reliable.
- The ability to speak/understand Cree is an asset.
- Must reside in a PTFN community.
- Access to reliable transportation to meet the demands of the job.
- Experience working in First Nation organizations with an understanding of history, culture, traditions, and the unique features of rural and remote communities.
- Must provide a clear RCMP Police Information Check and a Child Intervention Check.
- Must provide a copy of drivers' license, copy of CLPNA registration, and current drivers abstract.
