Trust Community Vote

Every vote counts — ideas for 2026 Trust spending

The Trust Advisory Committee (TAC) has put forward a set of ideas for how Trust funds should be spent in 2026 and beyond. These ideas have been reviewed and refined by our Trustees. Now it is time for community members to have their say.

HOW TO VOTE

A MESSAGE FROM THE TRUST ADVISORY COMMITTEE

Why we are not asking for new program ideas this year

We chose not to put out a call for brand new Trust programs in 2026. This was not an oversight — it was a careful, intentional decision.

We already have good programs running in our community but many of these programs have not had enough funding to work as well as they should. Before we add anything new, we need to make sure what we already have is properly supported and working for everyone.

Once our existing programs are strong and fully resourced, we look forward to inviting new ideas from the community in the future as Trust income is available. Thank you for your understanding and we are grateful to continue working for you.

If you have any feedback for the committee: trust.advisory@ptfn.net
